

The Life Changing Benefits Reported from Out-of-Body Experiences

by William Buhlman, Author and OBE Expert

Based on my twelve-year survey of over sixteen thousand people, the reported benefits of out-of-body experiences extend far beyond the limits of our physical senses and our intellect.

Hide the Silverware! Fun, Manifestation, and Creation at MC2

by Susan Smily, MC² participant and TMI Volunteer

I spent six days at the end of March with a wonderful, fun-filled group of people examining the concepts of manifestation and creation through a series of Hemi-Sync® exercises, group healings, and mind-bending activities. ... The Universe is designed so you are free to experience what you want.

Escape to Freedom

by Andrea Berger, TMI Residential, Outreach

Most importantly, an outcome of attending TMI programs is the freedom from fear. As Bob said, "Fear is the great barrier to human growth." The TMI programs and tools allow us to reach expanded states of consciousness in which we can come to realize that we are so much more than our physical bodies.
